

OAKS NOTES

The Resident Newsletter for Colony Oaks

APRIL 2021

We are grateful for spring! Hopefully everyone had a wonderful Passover and Easter!

With spring comes flowers, birds nesting and people cleaning and sprucing up. Please remember to be mindful of the things you put into the dumpster and knowing the day they are emptied. Please do not leave items outside the dumpster.

ARRR You Ready!

April 25th at 4:00pm at the cement pond (pool) we are going to shiver our timbers and share some grog and grub! Be there or you're a scallywag!

WEBSITE

We are also going to be diligent to keep the website up to date. Remember there is lots of information for you on the website: monthly Board meeting minutes; archive of Newsletters; and HOA by-laws and rules.

SPRING CLEANING IDEAS

Spring cleaning is upon us. Here are some things to consider.

1. Have you're a/c check especially the drip pan and discharge pipes.
2. Have hot water heater serviced.
3. Get rust remover from Joy Tapper and spray rust on your exterior walls and garage door.

GRASS AND SHRUB CARE

Many of us are having contractors/subcontractors do work around our homes. Please ask them to be mindful not to wash their equipment over the grass or shrubs. Also ask them to work from the driveway and avoid walking over the grass for short cuts.

Below is the calendar for this year for the Board meetings that will continue to be on Zoom. We encourage your attendance!
