

# OAKS NOTES

*The Resident Newsletter for Colony Oaks*

JUNE 2021

We hope you are all having a great summer and enjoying the lessened social restrictions. We are so glad our community came through COVID-19 healthy.

This summer heat has made the pool an inviting place to socialize and stay cool. We would like to take this opportunity to review some pool etiquette.

1. Please keep the pool area clean.
2. People have been leaving their pool toys at the pool. As this is a community area it is not appropriate to leave personal items at the pool. We do not have area storage for them. Please take them home after each use. Any pool toys left after July 4<sup>th</sup> will be thrown away.
3. The safety swim ring hanging on the fence is not a toy and should only be used for emergencies.
4. Please put the chairs back at the tables and close the umbrellas when you are leaving.

Following these simple guidelines, we can keep the pool area safe and inviting.

Below is the calendar for this year for the Board meetings that will continue to be on Zoom. We encourage your attendance!
